Dr. Michael Stewart,
Assistant Superintendent
Maricopa County Regional School District

Please accept this letter of intent as my official resignation for full retirement effective June 30, 2022.

It has been a blessing to serve MCRSD since 1982 in many capacities, from crossing guard to Director of Finance. I have been very thankful for the opportunities the district has given me to succeed in my career. My many fond memories during my tenure here will always be held close to my heart.

I wish for continued success and growth for the Maricopa County Regional School District, the staff, the students, and my MCRSD family. MCRSD will always be a special place to me.

Sincerely,

Janice A. Wheeler
